Gearbox options available, please ask for detail.

The 6-speed gearbox is a £2,000.00 outright buy or available as a £1,300.00 option on the above new prices.

Of course we are happy to build any of the above engines using Viper reconditioned geartrain/selector mechanism and clutch or using the customers own parts or to supply purely as kits. These options will of course reap savings for the owners. If interested, please contact us by telephone or e-mail via the numbers at the top of this page.

All above prices are excluding carriage and VAT. (Prices may vary - please check)
Subject to Viper Racing UK normal race equipment terms and conditions of sale.
